(3) Policies and Procedures for Access and Release. Personally identifiable information contained in student education records shall be released, or open for inspection, only to the student, or parents of dependent students as defined in Section 152 of the Internal Revenue Code of 1986. “Personally identifiable” means that the data or information includes the name of a student, the student’s parent, or other family member, the address of the student, a personal identifier, such as the student’s social security number or a student number, a list of personal characteristics which would make the student’s identity easily traceable or other information which would make the student’s identity easily traceable. The custodian of the records shall require the student, or parents of the student when applicable, requesting access to or release of
the records to present proper identification such as a valid driver’s license or passport. The request must be in writing and signed by the person seeking access or release. A copy of the request for access or release shall be retained in the student’s file. The custodian shall have thirty (30) days in which to comply with the request. When the record includes information on more than one student, the custodian shall release, or permit access to only that part of the record which relates to the student who is the subject of the request. Students requesting the release to others of personally identifiable information contained in the student’s education records must provide the custodian of such records with a signed, written request specifying the information to be released, the purpose(s) for such release, and the person or organization to whom such information shall be released. A copy of all requests for access and release shall be retained by the custodian of the records and shall be available for inspection and review by the student or a parent. The University reserves the right to deny a request for copies of education records made by a student or a parent when there is an financial obligation to the University which has not been satisfied or when there is an unresolved disciplinary action pending against the student.

The student shall also present to the custodian of the records copies of all available evidence relating to the data or material being challenged. The custodian of the records shall consider the request and shall notify the student in
writing within fifteen (15) school days whether the request will be granted or denied. During that
time, any challenge may be settled informally between the students, or the parents of a dependent
student and the custodian of the records, in consultation with other appropriate University
officials. If an agreement is reached, it shall be in writing and signed by all parties involved. A
copy of such agreement shall be maintained in the student’s records. If an agreement is not
reached informally, or, if the request for amendment is denied, then the student or the parents of
a dependent student shall be informed in writing of the denial and the right to a hearing on the
matter. A student or the parents of a dependent student shall not have the right to challenge
through this process the evaluation reflected by a grade which an instructor has assigned to
student coursework.

(b) Hearing Rights and Procedures.

1. Rights of Appeal. A student whose request for amendment to education records has not
been settled or has been denied may file a request for a hearing within thirty (30) days of the
receipt of the letter of denial. The request shall be in writing and shall be filed with the Vice
President for Academic Affairs. The request shall set forth the legal and factual basis for seeking
correction of the student’s education records. Upon receipt, the Vice-President shall appoint a
disinterested University official to serve as a hearing officer. The hearing officer shall schedule a
hearing within twenty-five (25) days of the date of receipt of the request for a hearing. The
student shall be given written notice of the time, date and place of the hearing allowing sufficient
time for the student to prepare his or her appeal.

2. Hearing Procedures. The hearing shall be informal in nature but shall afford the student a
full and fair opportunity to present evidence relative to the issues raised in the appeal. The
student shall be entitled to be assisted or represented by an individual of his or her choice and
expense, including an attorney. The custodian of records shall have the same rights as the
student.

3. Hearing Officer’s Recommended Order. The hearing officer shall issue a recommended
order within twenty-five (25) days of the close of the hearing. In rendering a recommended
order, the hearing officer shall consider only such evidence as was offered at the hearing. The
hearing officer shall include in the recommended order a summary of the evidence presented and
the reasons for his or her recommendations. The original report shall be filed with the Vice-
President and a copy of the recommended order shall be sent to the student or the parents of a
dependent student and to the custodian of records. Upon receipt, the Vice-President shall have
ten (10) days in which to issue a final determination on the issues raised in the appeal. If a
determination is made that the information in the education record does not require correction,
then the student or a parent of a dependent student shall have the right to place a statement in the
record commenting that the information has been challenged and the reason for the challenge.

7) The University will charge the following fees for furnishing copies of student records and
reports, or any material included therein:

(a) Copies of official transcripts – Ten dollars ($10.00).

(b) Copies of all other educational records – Fifteen cents ($.15) per page for copying, plus
any administrative costs incurred for search, retrieval and mailing.

8) The University shall provide notification annually to students of their rights relating to
education records, including the right to file complaints, the procedures to be followed in order
to exercise such rights, the types of information entered in the education records maintained by
the University, and the University’s policy to support the law. Notifications are published in the
University catalog, the Student Handbook and the Fall semester class schedule.
(9) Waiver of Right of Access.
   (a) Students and parents of dependent students have the right to waive their right of access to confidential letters of recommendation and other documents which evaluate student academic performance. Such waivers shall be in writing and made a part of the official academic record. A waiver of right to access shall be effective only when the student or the parents of a dependent student are notified, upon request, of the names of all persons who are submitting confidential recommendations or evaluations and when the confidential letters of recommendation and other evaluative documents are used solely for the purpose intended.
   (b) The University may not condition admission to the University, grants of financial aid, or receipt of any other service or benefit offered by the University, by another public educational institution in the State of Florida or by any other public agency upon being provided a waiver of the right to access by the student or the parents of a dependent student.

(10) Requests for Information in Connection with Research.
   (a) All requests for academic research dealing with data from student education records shall be referred to the University Registrar and to the Provost. Such requests must be in writing and must set forth specifically the type(s) of information to which access is requested and the intended scope of the research project.
   (b) The applicable custodian of records and the Provost shall determine whether to grant the request, in whole or in part, and may condition access upon a guarantee that the researcher will appropriately safeguard the data; that no personally identifiable information about any individual will be published or made available to others; or, upon other reasonable conditions.
