

FIU-113 Smoke, Vape-Free and Tobacco-Free Campus

1. Definitions:
 - a. “Smoking” means possession of a lighted cigarette, cigar, tobacco product, pipe, water-pipe or hookah or any product consumed in a similar manner; and the use of an unlit cigarette, cigar, tobacco product, pipe, water-pipe or hookah, or the use of a vapor-generating electronic device..
 - b. “Vaping” or “use of a vapor-generating electronic device” means to inhale or exhale vapor produced by a vapor-generating electronic device or to possess a vapor-generating electronic device while that device is actively employing an electronic, chemical, or mechanical means designed to produce vapor or aerosol from a nicotine product or any other substance. The term does not include the mere possession of a vapor-generating electronic device.
 - c. “Tobacco products” means cigarettes, cigars, pipes, smokeless tobacco, snuff, chewing tobacco, smokeless pouches, and any other form of loose-leaf, smokeless tobacco.
 - d. “Vapor-generating electronic device” means any product that employs an electronic, chemical, or mechanical means capable of producing vapor or aerosol from a nicotine product or any other substance, including, but not limited to, an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, or other similar device or product, any replacement cartridge for such device, and any other container of a solution or other substance intended to be used with or within an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, or other similar device or product.
 - e. “University campus” or “campus” shall include all those lands occupied or controlled by Florida International University; which includes, but is not limited to the inside of all buildings, parking garages, parking lots, athletic fields, and all stadium seating.
2. Smoking and/or vaping or is prohibited in all areas of the University campus.
3. Sale of all tobacco products and vapor-generating electronic devices are prohibited on the University campus.
4. Smoking and/or vaping products may be permitted in specific designated areas as part of a University approved research or education program.

Specific Authority: Board of Governors Regulation 1.001(7)(g); Florida Statutes Section 1001.706(7)(b). History: New 11-17-10, Amended 9-26-19.
