

FIU-406 International Student Admissions

1. International students must meet the admission requirements for the undergraduate or graduate academic program of their choice as set forth in University regulations, policies, and procedures, and the University Catalog.
2. International students must show evidence of English language proficiency by presenting:
 - a. A minimum score of 550 on the paper-based Test of English as a Foreign Language (TOEFL) or 80 on the internet-based TOEFL; or
 - b. An English Language Institute Language Center Certification of satisfactory completion of all content areas at level six (6) proficiency; or
 - c. Other equivalents as listed in applicable University policies and procedures and University Catalog, and University International Admissions website.
3. A Declaration and Certification of Finances must be submitted before the Certificate of Eligibility will be issued by the University. The Declaration and Certification of Finances must document sufficient resources for the length of enrollment in the degree at least equal to the total estimates of institutional costs and living expenses. For international applicants living outside the U.S., the Declaration and Certification of Finances must be received by the University at least two (2) months prior to the beginning of the applicant's intended first term. If the student is living in the U.S. this document is due at least one (1) month before the applicant's intended first term.
4. Prior to enrollment, all international students must submit a health history form including proof of immunizations required by the University.
5. International students in a F or J non-resident status shall demonstrate adequate medical insurance coverage at all times during their enrollment at the University.
6. Nothing in this regulation shall be interpreted as waiving an international student's obligation to comply with applicable laws and regulations of the United States Citizenship and Immigration Services of the United States Department of Homeland Security and the United States Department of State.

Specific Authority Board of Governors' Resolution dated January 7, 2003. Law Implemented Board of Governors' Resolution dated January 7, 2003, Board of Governors' Regulation 6.009.
