

FIU-110 Expressive Activities in Outdoor Areas on Campus

1. Definitions: For purposes of this regulation, the following definitions shall apply:
 - a. Expressive Activities: Expressive activities are activities such as assemblies, demonstrations, exercises of free speech, protests, parades, marches, and picketing protected under the First Amendment to the United States Constitution and Article 1 of the Florida Constitution. Expressive activity does not, for purposes of this regulation, include commercial speech.
 - b. Outdoor areas of campus: Outdoor areas of campus are generally accessible areas of the University's Modesto A. Maidique Campus and Biscayne Bay Campus in which members of the campus community are commonly allowed, including grassy areas, walkways, or other similar common areas. The term does not include outdoor areas of campus to which access is restricted. Restricted areas include: areas designated by the President or the President's designee either temporarily or permanently as restricted, parking facilities/areas, athletic or recreational facilities, fields and stadiums. Furthermore, outdoor areas of campus do not include any buildings or other indoor facilities.
 - c. University Community: The University Community consists of Florida International University faculty, staff and students.
 - d. University Organization(s): University Organization(s) are recognized University faculty and staff organizations and registered University student organizations. This definition excludes individuals, groups, and/or organizations sponsored by or affiliated with University Organization(s).
2. Subject to the terms of this regulation and related University regulations, expressive activities are permitted in outdoor areas of campus so long as the conduct is lawful and does not materially and substantially disrupt the normal operations of the University or materially and substantially infringe upon the rights of others.
3. To protect health, safety, and welfare and prevent disruption of University activities, protests, parades, marches, picketing, demonstrations and other similar expressive activities are prohibited inside University buildings or other University indoor facilities. University buildings and other University indoor facilities are designed for instruction, study, reflection, group discussion, research, administrative functions, and other University activities and operations. This provision will be enforced in a content and viewpoint neutral manner.
4. Subject to the other provisions of this regulation, including Sections 6, 7 and 8, persons may organize, conduct, or participate in expressive activities in outdoor areas of campus, except within fifty (50) feet of the following (unless a greater distance is required by applicable laws):
 - a. University residential facilities;
 - b. Buildings, facilities, or areas where such use could impair entrance to or exit from the building, facility or area, or interfere with activities therein;
 - c. The Children's Creative Learning Center;
 - d. Buildings wherein child care services, elderly care services and health care

services including, without limitation, mental health and substance abuse services, take place; and

- e. The FIU Libraries.
5. Events on the University's campuses occasionally draw attention from the University Community and general public and expressive activities may result. Where necessary to ensure crowd control and the safety and security of persons on campus and to ensure an opportunity for persons engaging in expressive activities to communicate regarding the event(s), the University may designate specific areas situated in close proximity to the event for the expressive activity. On these occasions, expressive activities related to the event(s) must be conducted in the areas specified by the University.
6. All persons and organizations conducting expressive activities in outdoor areas of campus must abide by the general requirement that no such activities may materially and substantially interfere with, disrupt, or impede the normal operations of the University or materially and substantially interfere with or infringe on the rights of others. Material and substantial interference with, disruption of, or impeding the normal operations of the University and/or interference with the rights of others includes, without limitation:
 - a. obstruction of vehicular, bicycle, pedestrian, or other traffic;
 - b. obstruction of entrances or exits to buildings or driveways or impeding entry to or exit from any building or parking lot or vehicular path;

 - f. interference with or precluding a scheduled speaker from being heard;
 - g. threatening persons or using fighting words which are those words that by their mere utterance inflict violence or would tend to incite a reasonable person to violence or other breach of peace;
 - h. damaging property of the University; or
 - i. utilizing sound amplification, including bullhorns, except as approved in advance in writing as set forth below and within sound limits that will not disrupt normal University operations.
7. To protect health, safety, and welfare and prevent disruption of University activities, no protests, parades, marches, picketing, demonstrations, and other similar expressive activities are permitted on the University campuses from sunset to 8:00 a.m. without the prior approval of the Vice President for Student Affairs. Requests for approval will be reviewed in a content and viewpoint neutral manner.
8. All persons and organizations conducting expressive activities in outdoor areas of campus, must comply with all applicable federal, state and local laws, all Board of Governors regulations, and all other applicable University regulations, policies and/or procedures. The University recognizes, respects and values the right of individuals to

express themselves on its campuses. While civil disobedience sometimes plays a role in expressive activities, civil disobedience involves a refusal to comply with laws or regulations as a form of protest. The failure to comply with law or regulation when exercising rights under this regulation shall be grounds for the University to take appropriate action as described in Sections 9, 10 and 11.

9. If expressive activity is materially and substantially disrupting normal University operations or infringing on the rights of others contrary to the requirements of this regulation, the President or the President's designee has authority to:
 - a. identify himself or herself to the persons engaging in expressive activity in an outdoor area of campus, providing the person's name and official position;
 - b. inform the persons engaging in expressive activity in an outdoor area of campus that they are in violation of the University regulation(s), policies and/or procedures, Board of Governors regulations or applicable law and specify the nature of the violation;
 - c. request that the violation cease (which could include relocation of the activity to avoid the disruption); and/or
 - d. in the event of non-compliance with this request, enlist the assistance of the Florida International University Police Department and/or law enforcement personnel in restoring order and enforcing the law.

10. In the event of a material and substantial disruption, the Florida International University Police Department or other law enforcement personnel has authority to:
 - a. require that any individual identify himself or herself by presenting appropriate documentation such as identification cards;
 - b. declare expressive activity to be disruptive, disorderly, or in violation of the University regulation or law and request all participants to cease and desist and to disperse and clear the area, including leaving the University grounds immediately, or be subject to arrest;
 - c. arrest any participants observed to be in violation of applicable federal, state or local laws; and/or
 - d. enlist the assistance of outside law enforcement agencies, as may be necessary.

Nothing contained in this regulation is intended to limit or restrict the authority of the Florida International University Police Department or other law enforcement personnel under applicable laws or University regulations, policies and procedures.

11. University Community members or University Organizations who intentionally act to materially and substantially impair, interfere with, or obstruct the orderly conduct, processes, and functions of the University or materially and substantially interfere with, or infringe upon, the rights of others, are subject to appropriate disciplinary action by the University authorities.

12. Amplification equipment is not allowed except as otherwise is provided herein. In order to coordinate University events and other activities taking place in outdoor areas of campus, with due consideration for the health and safety of all individuals, any person or

organization who intends to engage in an expressive activity in outdoor areas of campus must notify the University at least two (2) business days in advance if sound amplification equipment shall be used. All permitted use of amplification equipment shall maintain a reasonable sound level which meets the communication needs of the event without excessive noise penetration to adjacent areas.

Notification must be provided on the designated notification form, which is available at the following Office location. The notification must be submitted in writing to the designated University representative noted below at the applicable University Office location:

Attention: Vice President of Student
Affairs or Designee
11200 S.W. 8th Street
Graham Center Room GC219
Miami, Florida 33199

The designated University representative may deny the referenced amplification request within two (2) business days after receipt of the notice for the following reasons:

- a. The proposed use of amplification would materially and substantially interfere with the normal operations of the University and/or interfere with the rights of others due to one of the reasons enumerated in Section 5 above;
 - b. The proposed use of amplification would conflict with previously planned programs, activities and/or events organized and conducted by the University and/or University Organizations and previously scheduled for the same time and place.
13. Any person or organization that is denied permission for a proposed use of amplification may appeal such denial in writing to the Provost or the Provost's designee. The appeal must be made within two (2) business days after receipt of a written denial from the University's designated representative. The Provost's or the Provost's designee's decision on this matter shall be final.
14. The University may prohibit the carrying of certain items during expressive activities if the carrying of such items may increase safety and security risks of the persons engaged in the expressive activities or otherwise on campus.
15. Nothing in this regulation limits the authority of the University to allow areas of its campuses to be scheduled or reserved in advance for the use of the University or of a specific person or organization; the outdoor areas of campus being available on a space-available basis for expressive activities.
